Dear Mr. Roe, I will be very glad to
let you have copies of my Medal of
Saint Rita for the Humismatic Society.
Please pardon my delay in
answering your letter of November 28.
Though I felt sure that there
would be no objection to your
having the medal I wanted to
get permission first from
Father Creeran for me

When I received the commission -
Hoping my tardiness has
caused you no inconvenience

I am very sincerely yours
Louisa Lyne
